Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

iUniverse, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Olivia Ramirez is nervous about the first day of middle school, but feels certain there is one final adventure to be had on the last day of summer vacation. Olivia is drawn to her neighborhood park where she meets Lori Murray, an unusual but charming blue-haired girl who has just moved to town. Even though Lori wants to be an astronaut and Olivia longs to explore the world beneath the sea, the two quickly become best friends. As they begin the year at their new school, Olivia and her friends must deal with mean comments from the other students simply because they look different. Eventually, the girls confront Brittany Hobbes, the leader of the school's popular clique, but the bullying continues even as Olivia attempts to become Brittany's friend. As more confrontations with the clique occur, Olivia begins to question her own beliefs, ultimately realizing that what makes her and her friends different also makes them unique. As Olivia continues on her roller coaster ride through her first year of middle school, she learns a valuable lesson about what truly brings friends together . forever.
