Readers are recommended to take up the reading of biography more. They will assuredly find much to interest as well as instruct in the lives of the great men of the past and present. The True Poetry. History makes men wise, wrote Bacon; and the study of history is a fascinating one. A speaker at a recent meeting of the local Historical Association said that history stood among the subjects of general education in a position of marked peculiarity. Its presence accorded with the transformation which time had wrought in the government of Western nations. The child entered the school a mere creature of the present, knowing nothing of the past and recking little of the future; within a few years he left school, and...
