Print on Demand \*\*\*\*\*.In CURSE OF THE COINS, when a

professor and his team of college students explore the basement

of an old burned-out church, they discover artifacts, including a

leather pouch filled with silver Roman coins from the time of

Jesus Christ-there are thirty of them. When the professor is

unable to continue the research, the students, who are left in

charge of the find, wonder if they are the same coins paid to

Judas Iscariot for the capture of Jesus. The first squabble

between the students begins when Robert wants to sell the coins,

and Sheila argues that they belong to the church or should be in

a museum. The other students also disagree about what to do

with the coins. It soon becomes clear that bad things happen to

anyone who handles the coins-or separates one coin from the

others. When several of the coins go missing from the leather

pouch, the students fall prey to the coins curse of greed-and

worse-that seems to befall whoever touches them. Or covets

them. As the evil power of the coins...
