AMAZING MATH MAGIC

Goodwill Publishing House, New Delhi, India. Softcover. Book Condition: New. When you perform the tricks in this book, you'll have people believing you can read minds, calculate huge sums quicker than lightning, and make predictions that work every time! More importantly, you'll be able to entertain yourself, your friends, and your family with cool tricks anywhere, at any time. Many of the tricks can be done with just a pen and paper, or a calculator. Some involve a deck of cards, some coins, or some dice. Other tricks use props that you can easily make by yourself, and others use items that you'll find at the dinner table. All of the magic tricks in the book involve some principle of mathematics, either in their secret or in their presentation. They're all easy to learn and can be mastered with only a little bit of practice. Printed Pages: 96.
