

B Is for Beacon: A Great Lakes Lighthouse Alphabet: A Great Lakes Lighthouse Alphabet (Hardback)

By Helen L Wilbur

Sleeping Bear Press, United States, 2016. Hardback. Book Condition: New. Ren Graef (illustrator). 279 x 231 mm. Language: English . Brand New Book. The Great Lakes, with the rivers, canals, and channels that connect them, form one of the busiest waterways in the world. Lighthouses were needed to secure the safety of ships over these freshwater seas. But over the hundreds of years since the first lighthouse was established on the Great Lakes in 1781, these structures have come to represent something beyond their initial navigational function. Often situated on remote and beautiful shorelines, lighthouses hold a special fascination for people, serving as symbols of courage, perseverance, safety, and comfort. B is for Beacon: A Great Lakes Lighthouse Alphabet uses poetry and expository text in this alphabetical exploration of the history of lighthouses on the Great Lakes, detailing famous structures, local lore, as well as notable moments in Great Lakes history.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
