

## Scriptures That Bring Healing Releasing Gods Power Through the Spoken Word

Filesize: 7.83 MB

### ***Reviews***

*Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.*

*(Bernardo Feeney Jr.)*

## SCRIPTURES THAT BRING HEALING RELEASING GODS POWER THROUGH THE SPOKEN WORD

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 36 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Whatever sickness you are faced with, know that God is greater for He is the name that is above EVERY name. Do not allow the enemy to rob and steal your healing because it is ALREADY yours; Jesus Christ, Gods son, paid the price for your healing, health and wholeness by sacrificing His life. Therefore I say to you, Arise and receive your healing. I admonish you to praise God in your time of pain. Praise is one of your weapons of war. It confuses the enemy and sabotages his plans for your demise. Praise invites Gods presence into your situation. Your greater breakthrough comes when you can praise Him in your pain. Yes, I know it hurts but I can tell you from personal experience, it works and is worth it. Your healing will manifest when you are not focusing on the pain but on the promises!! I pray that you take full advantage of this scripture booklet on healing because it is the Fathers desire that you be healed in every area in your body today. My beloved, be strong and stay strong until the victory comes with the manifestation concerning your breakthrough healing. My desire is that you receive all that God has for you right now, Amen. Healing is one of the many benefits that come with salvation. Jesus went through the agony, torture and shame of dying on the cross so that we might have and enjoy life, which not only secures your place in heaven but also includes healing, joy, peace, freedom from fear, prosperity and so much more. If you dont know Him as your personal savior, I would like to...
