Wipf Stock Publishers, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: Climate change. Radical politics. National debt. Globalization. What do Christians have to say to the big questions we all face? Whatever they try to say, they will be seriously handicapped if they do not know their own story. Finding Pieces of the Puzzle will fill the knowledge gap. It breaks away from the usual manner in which history is written. Christianity is not a European but rather a global undertaking. Kydd s book encourages Christians worldwide to be proud about their identity and history, while acknowledging historical mistakes and to further carry the Christian flame. - Christoph Baumer President Society for...
