Driver's License (Paperback)

By Meredith Castile

Bloomsbury Publishing PLC, United States, 2015. Paperback. Book Condition: New. 163 x 119 mm. Language: English . Brand New Book. Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. A classic teenage fetish object, the American driver's license has long symbolized freedom and mobility in a nation whose design assumes car travel and whose vastness rivals continents. It is youth's pass to regulated vice-cigarettes, bars, tattoo parlors, casinos, strip joints, music venues, guns. In its more recent history, the license has become increasingly associated with freedom's flipside: screening. The airport's heightened security checkpoint. Controversial ID voting laws. Federally mandated, anti-terrorist driver's license re-designs. The driver's license encapsulates the contradictory values and practices of contemporary American culture-freedom and security, mobility and checkpoints, self-definition and standardization, democracy and exclusion, superficiality and intimacy, the stable self and the self in flux. Object Lessons is published in partnership with an essay series in the The Atlantic.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
