Excerpt: . . . 11 include web-based disease notification to the health community na-tionwide, which is so important in order to hook up with the local communities, local health departments, and the State health de-partments. This effort will also provide for the expansion of a very successful health alert network. We have 37 States hooked up right now. We want to get to all 50, and then we would like to hook up to the local health departments. It is going to help provide early detection of disease to 75 percent of the Nations 3, 000 counties. We are providing 15 million to support increased capacity in no less than 78 laboratories in 45 States. This funding will enhance our ability to identify and detect all critical biological agents, and we are implementing a new hospital preparedness effort to ensure that our health facilities have the equipment and training they need in order to respond to mass casualty incidents. Third, in addition to purchasing pharmaceuticals, we are com-mitted to the development and the approval of new...
