Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

SYLLABUS OF LECTURES ON HUMAN EMBRYOLOGY: AN INTRODUCTION TO THE STUDY OF OBSTETRICS AND GYNAECOLOGY; FOR MEDICAL STUDENTS AND PRACTITIONERS, WITH A GLOSSARY OF EMBRYOLOGICAL TERMS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Syllabus of Lectures on Human Embryology: An Introduction to the Study of Obstetrics and Gynaecology; For Medical Students and Practitioners, With a Glossary of Embryological Terms A New edition of this little book has long been called for, but has been delayed by pressure of other work. In the present edition the same general plan has been adhered to as in the first, but the text has been carefully revised and much additional matter incorporated, so that it is believed the book will continue to be found reliable for the purpose for which it was originally intended, - an outline guide to the study of embryology. Several new illustrations have been added and some of the old cuts have been replaced by better. Particular attention has been given to the chapter on practical work, and the best and latest methods for laboratory instruction will be found in that section. I am indebted to several friends for helpful suggestions and kindly criticism, and my thanks are particularly due to Mr. William C. Thro, Instructor in Histology and Embryology, Cornell University, who has given me valuable assistance in the preparation of the present edition. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that...
