Diabulimia: Diabetes + Eating Disorders; What It Is and How to Treat It: A Guide for Individuals and Families; A Tool for Health Personnel (Paperback)

By MS Grace Huifeng Shih Rd

Createspace, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. I am forty and have been battling with diabetes and eating disorders for twenty-five years. I am wheelchair bound and have no hope now. When I tried to find help there was not a single book that addressed this terrible thing. Please do something to help the young ones. Outcries like this were the driving force behind the birth of this groundbreaking book. Grace Huifeng Shih, RD, MS brings this once-secret disease/disorder out into the open and offers hope to those suffering, their families, and their health providers. Diabulimia (ED-DMT1, clinicians term), a deadly combination in which people with type 1 diabetes manipulate insulin so they will lose weight, causes permanent injury if left untreated. Grace s compassion and expertise in both eating disorders and diabetes; stories from her clients and their loved ones she works with everyday; along with the editing and review by 15 clinicians (endocrinologists, psychologists, psychiatrists, diabetes nurse practitioners, nurse managers, pediatricians, adolescent medicine physicians, ophthalmologists, nephrologists and neurologists) make this book invaluable for medical and non-medical readers alike. For individuals: The 18...
