In this book General Stern tells the story of his personal battles the battles for the character and future of the IDF as the army of the people and for the character and future of Israel as a Jewish and democratic state. He candidly describes the challenges and difficulties of a being a religious soldier in a unit of non-religious soldiers, yet he openly opposes the continued service of religious soldiers in separate units. He explains why he was required to rewrite the IDF's ethical code and reveals his revolutionary plan to solve the problem of ultra-Orthodox army exemptions.
