We want them to have the best. We want them to experience joy, love, meaning, and fulfillment in their lives, and yet in our own, we are often unfulfilled and unhappy. Even if we have reached a comfort in our lives, we sense that much of our potential remains untapped. We wonder why we cannot think new thoughts, have new feelings, forgive, get over regrets, create wealth, or find love. We hear we create our realities but how do we create a better one? No one tells us. This absorbing book does. While Martha Burgess Novak's, *The Life You Want* entertains, it contains some of the most important and life-changing ideas to be found anywhere. The author shares her knowledge and experience in clear and straightforward language. In addition to writing books and creating DVDs and CDs of her work, she has shared her energy systems and insights with multinational businesses, nonprofits, and in her private practice. Burgess Novak, a teacher, intuitive, and businesswoman, has helped thousands navigate the realms of spiritual energy and apply this energy to their busy lives. She knows that a useful spiritual system must be pertinent to each individual and keep up with the challenges and opportunities of the ever-changing world we live in.
